Please include a bio or resumé for the quartet that lists the pieces you have played together.

On your individual applications, **don't** list those pieces, just other things you've played. If you aren't auditioning live, include a cassette, DVD, CD or video tape with your application, containing two selections played by the quartet (can be 1 movement each). Individual recordings are not necessary.

Include an Apprentice application for each member, but not separate application fees.

Please check all that apply:
